

ARE YOU INVESTING IN THE CREATIVE INDUSTRIES?

Become a member of Creative Business Investors and explore great investment opportunities in the creative industries

WHAT'S THE OFFER?

- Access to viable, high-quality investment propositions from creative startups and invaluable market intelligence
- Startups qualifying for Creative Business Cup have a proven track record of performing above average and becoming successful companies. Join them on their journey early on
- Access to a network of global investors in the creative industries with potential exit opportunities from existing portfolio companies
- Opportunities to bring companies from your portfolio to the attention of other global investors and co-invest with likeminded investors from around the world
- Opportunities to become a member of the global jury and expert panel and mentoring startups at our events

ABOUT CBI

CBI is a global investors' network focused on creative business and creative startups launched by Creative Business Cup. We aim to unlock the full potential of creative industries by easing access to finance for creative businesses and support creative startups by providing them with a better understanding of the investors community.
